**THE STATE OF NEW HAMPSHIRE WARRANT  
FOR 1979 ANNUAL MEETING OF THE TOWN OF RUMNEY**

---

To the inhabitants of the Town of Rumney in the County of Grafton and State of New Hampshire qualified to vote in town affairs:

You are hereby notified to meet at the Town Hall in said Rumney on Tuesday, the 13th day of March, next, at 10:00 o'clock in the forenoon at which time the polls shall be opened for balloting on Article 1 and shall close not earlier than 6:00 o'clock in the afternoon and you are hereby notified to meet at the Town Hall in said Rumney on Thursday the 15th day of March, next, at 7:00 o'clock in the afternoon for the second session of the town meeting at which time action will be taken upon the remaining articles in this warrant.

Article 1: To choose all necessary town officers for the ensuing year.

Article 2: To raise and appropriate such sums of money as may be necessary to defray town charges for the ensuing year, and to authorize withdrawal from the Revenue Sharing Fund established under the State and Local Assistance Act of 1972 for use as a set-off against one of the sums appropriated under this article as follows:

<b>Purpose</b>	<b>Amount</b>
Town Library	\$3,000.00
Amount of set-off	\$3,000.00

Article 3: To see what sum of money the Town will vote to raise and appropriate for the maintenance of its highways and bridges, and to authorize withdrawal of \$5,000.00 from the Revenue Sharing Fund established under the provisions of the State and Local Assistance Act of 1972 for use as a set-off against the amount appropriated under this article.

Article 4: To see if the Town will vote to raise and appropriate the sum of Two Thousand Dollars (\$2,000.00) to be added to the Capital Reserve Fund for equipment for the Highway Department.

Article 5: To see if the Town will vote to raise and appropriate the sum of \$9,000.00 to defray the costs of operating the Fire Department during the ensuing year and to authorize withdrawal of \$5,000.00 from the Revenue Sharing Fund established under the provisions of the State and Local Assistance Act of 1972 for use as a set-off against the amount appropriated under this article.

Article 6: To see if the Town will vote to raise and appropriate the sum of \$3,000.00 to be added to the Fire Department Capital Reserve Fund.

Article 7: To see what sum of money the Town will vote to raise and appropriate to defray the costs of maintenance of the Town Dump during the ensuing year, and to authorize withdrawal of \$5,000.00 from the Revenue Sharing Fund established under the provisions of the State and Local Assistance Act of 1972 for use as a set-off against the amount appropriated under this article.

Article 8: To see what sum of money the Town will vote to raise and appropriate for engineering studies of the town dump site on the former Banel property in order to determine how best to develop said site in order to comply with the laws and regulations of the State of New Hampshire which prohibit open burning.

Article 9: To see what sum of money the Town will vote to raise and appropriate to defray the costs of operation of the Police Department during the ensuing year.

## BYRON G. MERRILL LIBRARY REPORT 1978

---

Books in library, January 1, 1979	10,316
Number of books purchased	90
Number of books given	125
Adult fiction borrowed	3,075
Adult non-fiction borrowed	1,013
Juvenile fiction borrowed	2,802
Juvenile non-fiction borrowed	485
Magazines borrowed	1,000
Records borrowed	200
Spoken word records borrowed	76
State books borrowed from bookmobile	5,839

This has been a busy but satisfying year. In April, A National Library Week was observed with exhibits and new books on display. Assistant Professor Peng-Khuan Chong, of Plymouth State College was present one afternoon and showed slides and spoke about his home in Malaysia. It was an excellent presentation and very much enjoyed by those present.

The summer season came and with it our many summer visitors. We are very happy to have so many families from the Stinson Lake area using the library. Katharine Grimes 10th Art Exhibit was held in July. This continues to be very popular. The reading club conducted by Mrs. Mary Mumford was 'Across the U.S.A. with Books'. It proved very interesting and helpful to those young people attending.

Mrs. Betty Jo Taffe was chosen to represent our library at the New Hampshire Conference on Library and Information Services at Concord, in September. She was chosen to go to Washington, D.C. to represent our state at the White House Conference in November 1979. We are very pleased about this.

We are a member of the Baker River Audio Visual Center in Wentworth. If you are interested in using any of the materials we have in the center, please feel free to go to the center or speak to your librarian about the availability of items. We have much to offer in the way of equipment and software.

Mrs. Linda Andrew has been hired as an assistant to the librarian. Miss Louise Bixby continues as our substitute. The trustees and the staff express their thanks to all who have helped with exhibits, clubs, programs, given books, magazines, pictures and contributed in any way to the success of the library this past year.

The Byron G. Merrill Library is a member of the statewide library development program and we are open 12 hours a week.

Discover that **Reading** is a pleasurable year round pursuit and may be shared by everyone. "Light up your life with books." Read!

Respectfully submitted  
Muriel B. Kenneson Librarian

## **RUMNEY CONSERVATION COMMISSION**

---

The Rumney Conservation Commission divided its efforts among the following endeavors:

1. Development of natural resources components for a comprehensive town plan.
2. Assisted Rumney Planning Board in the Stinson Trust Case.
3. Assisted Selectmen by meeting with state officials involved with possible establishment of a town recreational area at Stinson Lake.
4. Testified before Bureau of Solid Waste Management concerning present disposal site.
5. Prepared letters sent to recycling firms and engineers involving utilization of disposal site.
6. Answered request by the Soil Conservation Service to react to the building of a dam at Site 7 in Wentworth.
7. Monitored bridge and road construction on Route 25 in Rumney and Wentworth.

Lawrence Cushman,  
Chairman of the  
Rumney Conservation  
Commission

## PEMI-BAKER HOME HEALTH AGENCY

---

During 1978 the Pemi-Baker Home Health agency supplied member towns with Skilled Nursing visits; Professional Home Health Aide Visits; Trained Homemaker visits; Free blood pressure Clinics; Free Diabetic Screening Clinics; Office calls for blood pressures, shots and other skilled care for those not homebound; free immunization clinics covering measles, mumps, rubella, diphtheria, polio, tetanus and tuberculosis testing; new-Born Evaluation visits; plus many services to the individual patients that go statistically unnoticed such as making out medical forms; writing letters and mailing, see that a ride is available to them when necessary for doctors or hospital out-patient visits; aiding them in receiving other services, such as meals-on-wheels, mental health etc., picking up prescriptions and delivering them, doing the laundry, taking reading material to them - which all falls under "Kindness and Caring" over and beyond the call of duty.

Anyone who is interested in participating in the Agency as an Alternate Board Member representing the Town of Rumney, please contact me.

Respectfully yours,  
Gladys W. Ackerman  
Rumney Town Representative

## REPORT OF DISTRICT FOREST FIRE CHIEF AND YOUR FOREST FIRE WARDEN

---

For more than 80 years, a cooperative effort between the State of New Hampshire and local forest fire authorities has created a forest fire prevention and suppression program that is recognized as superior throughout the United States.

Since the first forest fire laws were written in 1895, the state and local community governments have worked together to prevent and combat forest fires.

Today, 249 forest fire wardens and more than 1,800 deputy wardens are appointed every three years by the State Forester to work with the members of the State Forest Fire staff in this effort. State Funds are used to pay one-half the cost of forest fire suppression costs incurred by local forest fire organizations, within pay rates established by the Governor and Council. State funds matched by local funds are used to purchase hand tools to suppress forest fires, to train local forest fire crews and in forest fire prevention work.

All outside burning, when the ground is not covered with snow, is permitted only after obtaining a written fire permit from you local Forest Fire Warden. Penalty for burning without a permit when one is required is a misdemeanor punishable by a fine up to \$1,000 or a jail term of up to one year or both.

**REMEMBER, ONLY YOU CAN PREVENT FOREST FIRES!**

## **RUMNEY SCHOOL BOARD BUDGET CONSIDERATIONS FOR 1979-80**

---

The Rumney School District budget for fiscal year 1979-80 is \$359,857, a decrease of \$864 from the previous year. The district assessment, upon which the tax rate is based, will be \$331,507, down \$1,161 from 1978-79. This is due to an anticipated increase in revenue for special education from the state and federal governments.

Major increases in the proposed budget include the following items— salary raises, transportation costs, retirement and FICA charges, insurance (primarily the cost of unemployment insurance) and special education.

Federal legislation now mandates that all handicapped children between the ages of 3 and 21 receive a free public education. Based on the district's liability according to state law, the 1979-80 budget includes \$14,434 for special education tuition and transportation for Rumney children who must go outside the district for appropriate special education programs. This is an increase of \$12,054 over 1978-79.

Major decreases in the proposed budget compared to the present budget include the following—textbooks, library and audio-visual materials, teaching supplies, the hot lunch program. Building repair costs are down a total of \$22,235 from 1978-79.

Plymouth Area High School tuition for 1979-80 will be \$140,622, down \$7,248 from the present school year. This is due to a slight decrease in the tuition rate as well as a decline in the number of Rumney students enrolled at the high school.

Supervisory union costs for 1979-80 will be \$10,636, an increase of \$752 over the present year.

The Russell School cost per pupil for 1977-78 was \$1,000.98, down slightly from the previous year. This was the second lowest per pupil cost in the supervisory union. Rumney transportation costs (\$54 per pupil or 42 cents per mile) were the lowest in the union.

## REPORT OF THE SUPERINTENDENT'S OFFICE

---

In the past few years we have been asked to explain the function of a supervisory union and its relation to the local school board and the state. The following statement extracted from the New Hampshire School Boards Association pamphlet "New Hampshire Public Schools" hopefully provides a succinct answer to the question.

New Hampshire school law states that the State Board of Education has "the same powers of management, supervision, and direction over all public schools in this state as the directors of a business corporation have over its business, except as otherwise limited by law." The state of New Hampshire has 174 school districts which the State Board of Education has divided into 50 supervisory unions, each administered by a superintendent of schools.

Schools, like other public agencies and business corporations, must have a management system. The New Hampshire school management system is the supervisory union. School Board members who are elected by the voters of their individual school districts comprise the policy making supervisory union school board. The superintendent shall serve as the executive head of the public schools, and shall be responsible for planning and administering their affairs subject to statutory requirements, the regulations of the State Board of Education, and the policies of the local districts. In performance of these duties, the superintendent shall be directly responsible to the State Board of Education through its commissioner, and the board or boards of the supervisory union.

Supervisory union budgets, following a public hearing, are annually voted by the supervisory union school board. The budget provides for the salaries of the superintendent and other supervisory union personnel along with any necessary central office expenditures. Supervisory union school boards decide the number of persons to be employed, their duties, and their salaries. Local districts share the services provided by the supervisory union and share the costs of operating a central office. The local school district's share of the union budget is determined by two factors: half on the basis of pupil membership and half on the basis of equalized valuation.

### WHAT SERVICES DO THEY PROVIDE?

The supervisory union structure was formed so that local school districts could join together to provide themselves with necessary

administrative services they could not furnish efficiently or economically alone. Services provided include: budget preparation and control; central purchasing; building programs and maintenance; state and federal, record keeping and reporting; recruitment and employment of all staff; public relations, annual reports; supervision and evaluation of all staff; curriculum development and coordination of school programs; staff development and re-training; coordination and development of state and federal programs; school health services; school lunch programs; special education programs; payroll; teacher negotiations and professional assistance to school boards in many other areas.

Central office staff function so that the above mentioned services are provided with a single goal in mind -- to provide the best possible education to the children in our communities, in a cost-effective way.

Respectfully submitted,

Donald H. Cosgrove  
Superintendent

Daniel A. Cabral  
Assistant Superintendent

## PRINCIPAL'S REPORT

---

This school year began with some changes at Russell School: Four new faces joined the staff. Barbara Horton, a Dartmouth graduate, as our Resource Teacher, Bruce Beem-Miller a graduate of St. Lawrence University with a Master's Degree from Leslie College teaching the fourth grade, Carol Braley and Dolores Vitek, our new self-contained fifth and sixth grade teachers. Mrs. Braley, a graduate of Plymouth State College, returns to us from Maine, and Miss Vitek comes from Michigan where she earned her bachelor's and master's degrees. In addition, Miss Vitek teaches Math to grades seven and eight.

The repairs to the roof, heating system, and drainage system behind the school have been successfully completed. All leaking in the building ceilings has ceased and temperatures in all classrooms can now be adjusted to the needs of each teacher. Winter ice and rain storms no longer pose the threat which they have in the past. The installation of storm windows on the north wall and classrooms has made a significant difference in the comfort of classrooms in the new wing.

The Staff of Russell School continue to provide a balanced educational program to Rumney students: Basic skills subjects which are individualized to the needs of each child; science and social studies; experiences in learning social skills and appropriate behavior in formal and informal situations; physical education activities in team sports, physical fitness, body movement, intramural, and inter-scholastic athletics; a field-trip and assembly program; an Artist-in-the-schools program funded in part by the National Endowment for the Arts; and a special services program which strives to identify, evaluate and diagnose, and prescribe a free and appropriate education program for each child whose handicaps make it difficult for him to learn.

DeEtta Shimek, the school nurse, screens vision and hearing of all youngsters as well as providing emergency first-aid and health and hygiene consultation to students and parents alike. Bob Smith and Donald Smith keep the building clean and well maintained. Bob and Esther Ward provide transportation service to Rumney children with the school's sixty-six passenger bus and maxi-van. Mrs. Lyon continues to serve the best and most economical lunches in one of the State's finest hot lunch programs.

The continued financial and human support of Rumney residents will assure the continuation of quality education we all can be proud of.

Respectfully submitted,

Colin F. MacKinnon, Ed.D  
Principal

## EXPLANATION OF SUPERINTENDENT'S AND ASSISTANT SUPERINTENDENT'S SALARY FOR 1977-1978

Chapter 189, Section 48 Revised Statutes Annotated of the State of New Hampshire, requires that the school district annual report show the total amount paid to the Superintendent of Schools as per the following quotation — "Reports. Each superintendent of a supervisory union shall annually prepare a report of the total salary paid to the superintendent, showing in detail the amount paid by the state and each local school district and their share of same. Said report shall be filed with the school board of each school district involved and shall be included in the annual report of the respective school district as a separate entry. A like report and entry shall be made for each assistant superintendent, teacher consultant, and business administrator, if any is in service in the union."

One-half of the supervisory union expenses is prorated among the several school districts of the union on the basis of adjusted valuations. One-half is prorated on the basis of average daily membership in the school for the previous school year ending June 30th. The salary of \$23,500 which was received by the Superintendent of Schools of Supervisory Union #48 during 1977-1978 was made up as follows—\$2,500 paid by the State of New Hampshire and \$21,000 was prorated among the school districts comprising the Supervisory Union. Allowance for \$800 travel within the Union was also prorated as stated above.

The salary of the Assistant Superintendent during 1977-1978 was made up as follows—\$2,413 paid by the State of New Hampshire and \$18,087 was prorated as stated above. Allowance for \$1,700 travel within the Union was also prorated as stated above.

The table below shows the portion of salary and travel charged to each school district.
